Funding for APLs will be supported for those trainees that are rotating into CST Paediatric Surgery posts or who are pursuing a career at ST3

All new CST trainees must attend, part of Peninsula Regional Teaching

CSTs are encouraged t

ttend specialty surgica

skills courses in line

with their chosen

specialty. These are

simulation based

courses, but not

mandatory.

in Paediatric Surgery. See study leave guidance for Life Support

See study leave guidance for Life Support Courses for funding

Courses for funding allocation.

For trainees wanting to do T&O

For trainees wanting to do Gen Surg

All new CST trainees must attend

For trainees wanting to do ENT

For trainees wanting to do plastic

For trainees wanting to do T&O

For trainees wanting to do neurosurger

For trainees wanting to do paediatrics

For trainees wanting to do breast surgery

For trainees wanting to do Urology

For trainees wanting to do Plastic

For trainees wanting to do ENT
